

To whom it may concern:

I am writing concerning the proposal to allow LPFM stations to take priority over FM translator service. This proposal concerns me because I listen to K-Love on 88.5 in Temple, Texas. K-Love is a translator service that provide contemporary Christian Music. If the Temple, Texas K-Love translator service were to stop, there are no other FM stations in this area that provide contemporary christian music. The effect would be an end to this positive encouraging music for me and my family. Please don't let this happen.
